Save Our Surgery

"Fighting for the Hearts of Yorkshire Kids"

As Director of **Children's Heart Surgery Fund**, Sharon Cheng, I appeal to you today for your help to **save our Heart Surgery Service in Leeds** by signing this petition. Your signature will go a long way to helping us fight our cause and in turn prevent our valued service from closure, thus keeping the **children of Yorkshire and surrounding areas** safer here in our newly registered **''Children's Hospital''.**

Please let me assure you that **your data will not be passed onto** any other charity/organisation and will be destroyed after we have put your name forward.
