Sponsorship Opportunities

Care for patients living with congenital heart disease treatment is often long-term, involving multiple hospital procedures and visits. This is a daunting prospect for a child and can be stressful for parents and other family members.

One of our main aims is to support heart families by providing enjoyable experiences and events throughout the year.

Vinnie, February 2021

Vinnie and his family at CHSF Christmas party, December 2022

This year, we have organised four family events, where we intend to see between 100-200 children attend each event.

We'd love it if your company could help by choosing a sponsor package overleaf. Your support would mean so much to a heart child and their family.

As a thank you, we will feature your business on our 'Heart Tree' outside the children's cardiac ward at the LGI.

Easter event April

A social family event to meet CHSF's Family Support and Fundraising Team and have opportunities to meet other heart patients and families from across the region.

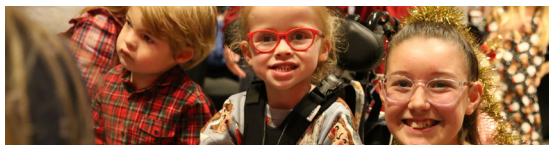

Superhero Walk September

Superhero Walk is an annual fundraiser and family fun day. We encourage heart warriors and families to dress as their favourite superheroes and get sponsored to walk the 1km route!

Halloween event October

A chance for heart warrior families to build a support network with families going through similar experiences whilst allowing children to spend time with their peers in a fun environment.

Christmas Party December

A chance to celebrate our heart warriors and their families by providing a magical experience at what can be a hard time of the year to provide relief and joy to families.

£500

could pay for
20 children
to attend

£1,000

could pay for
40 children
to attend

£2,000

could pay for
80 children
to attend

£5,000

could pay for
200 children
to attend

If you or your business are able to help, or if you'd like some more information about sponsoring an event, we'd love to hear from you.
