

Organise your own Office Olympics

Fundraising in the office can be a tricky task but holding an Office Olympics can combat that! Whether you need to engage your team, motivate the masses, or identify a fun team building opportunity that can also raise funds for CHSF, Office Olympics has it all!

You could dedicate a day to go full steam ahead with the celebrations or you could incorporate them into your office routine, holding one event at the end of each day or week. Donations could be taken upon entry into a sport, or through sponsorship via an office JustGiving page.

OPENING CEREMONY

Get creative and make your own Olympic torch. Nominate a judge and set a time limit for the creation period. You can then reward prizes for the best torches. Of course everyone will need a country to dress up as too!

MENTAL GYMNASTICS

This is like charades, but with Olympics events! Each team picks a player to act out events within one minute. Player with the most guesses wins. Remember, no words or clues are allowed - only pure acting!

TYPING RACE

Battle of the fast typers - head to typingtest.com and choose the length of the test and begin. The best option for this is the one to three minute test options! Player with the highest WPM wins or with the fewest errors, your call!

DESK CHAIR FUN

This could be multiple events - as long as you have spinny chairs with wheels! Anything from a classic race, to football, curling, dizzy shot put or even a tug of war! Set your rules, pick your teams and get rolling!

BIN BASKETBALL

All you need is two bins and it's game on. Buy a ball or just use a tightly crumpled piece of paper. Split into two teams, and play for 10 minutes. The winner is the one who lands the most baskets. Slam dunk!

RUBBER BAND ARCHERY

Players use their fingers to pull back a rubber band and shoot it at a target. Mark out a spot on the floor, and team members all shoot from the same location. Use a bell to aim at so you definitely know when it is hit!

BISCUIT DIVING

Test your biscuit against your brew with a competition to see who can dunk for the longest without letting go. Each contestant chooses their own biscuit and beverage to add a tad more competition.

BALLOON RACE

Place a balloon between your knees and make it to the finish line without dropping (or popping!) the balloon. Make it even trickier by making it into a relay - just remember not to touch the balloon with anything but your knees!

PENCIL JAVELIN

Place a bin apart from a marked line and have players take turns standing behind the line and throwing a sharpened pencil toward the bin. Points will be awarded each time they get it inside.

If you need any further help or support with your fundraising, get in touch with the CHSF Corporate team any time
